ICSA Members Submit your work to Statistics in

Biosciences

Recently we convened a very successful editorial board meeting for Statistics in Biosciences(SIBS) at JSM in San Diego. The journal is growing and now is under consideration for inclusion and indexing in ISI(Web of Knowledge) and PubMed. We have also recently published special issues on the cutting-edge areas of comparative effectiveness and network analysis. The number of author initiated submissions has increased rapidly. A special issue on next generation sequencing data analysis is underway. SIBS will have invited sessions at the 2013 ENAR, Joint Statistical Meetings, and 2013 International Conference of ICOSA.
